SOCIETY VOLUNTEER HOURS FOR 2015

Societies are encouraged to complete this form using the web site: <http://www.gardenontario.org/admin/login.php> If you need a password to log in, contact webmaster@gardenontario.org. By completing online, the total hours will be automatically tabulated. If you are not using the web form, please complete this form and send it to your District Director.

Your volunteer hour's statistics are an important piece of information about your society. They are an easy reference that illustrates how valuable your society is to the community. Volunteer hours can also be used to show where your society is spending its volunteer time.

Your volunteer hours are added to those from all the societies across Ontario and the resulting total is used by the OHA Board to demonstrate our collective contribution as volunteers to governmental agencies or when applying for grants. The cumulative number of volunteer hours certainly displays to others the value of Horticultural Societies in Ontario. For instance, horticultural society members volunteered over 487,956 hours in 2013!
